ESA Certificate – Alternative Clock Hour Documentation for Organizations not on OSPI’s approved clock hour provider list

Last		First		MI
Location			Position	
License #	Type of License		Expiration Date	

WAC 181-85-077 allows educational staff associates to use continuing education units (CEUs), credits, or clock hours that satisfy the continuing education requirements for their state professional health license, for Washington and any other state, as in-service credits.

OSPI states on their website <http://www.k12.wa.us/certification/ClockhoursDocumentation.aspx> that in addition to the acceptable documentation for approved clock hours that is defined in WAC 181-85-107, a **certificate of completion, letter, or certificate of achievement or professional development** will be allowed for individuals who hold an ESA certificate and a state health profession license that requires continuing education.

Organization providing clock hours		Name of class		
# of clock hours	Beginning date	End date	Class #	

I, _____ do certify (or declare) under penalty of perjury under the laws of the state of Washington that the class listed above satisfies the continuing education requirements for the state professional license (listed above).
