

Capital Projects Report – May 23, 2016 Blaine School District #503

Construction updates, including photos, are available on the District website.

High School Capital Improvements

- Zervas Architects has completed design development work. A Pre-bid Walkthrough was held on May 11, 2016 with five general contractors in attendance. Bids will be opened on June 2, 2016 and construction on the first of three phases will begin by mid-summer.

Completed Projects:

- *The track was repaired and resurfaced in the summer of 2015.*

Primary School Expansion, Covered Play Area, and Playground Upgrades

- Tiger Construction's work on the addition to Blaine Primary School is drawing to a close. Much of the contractor's equipment has been removed from the work site. Sidewalks and landscaping will be completed by the end of May as well as final details in the interior of the building. Over the summer months, the smaller playshed will be converted into a new music room, the main playshed will be enclosed, and the roof on the existing structure will be replaced.

Completed Projects:

- *New playground equipment was installed in the summer of 2015.*

Elementary School Carpeting, Cafeteria, North End Remodel, and Playground Upgrades

- The timing and scheduling for installation of the Elementary school playground is currently under review.

Completed Projects:

- *Carpet and vinyl flooring was installed in the summer of 2015.*

Other Capital Improvements

Completed Projects:

- *Installation of the new playground at Point Roberts Primary School was completed in October 2015.*

Capital Maintenance Projects

Roof Replacements, Campus Paving, K-8 Furniture/Classroom Tech, Campus Wide Fiber, Seismic Upgrades

Completed Projects:

- *Middle School and Pt. Roberts Primary School roofing projects were completed in the summer of 2015.*
- *The Middle School Gym Parking Lot and the fire lane located between the PAC and the CTE building were resurfaced in the summer of 2015.*
- *Re-striping of all campus parking lots was done in the summer of 2015.*

Updated Security features will be integrated with overall projects.

Electronic Door Locks, Camera Upgrades, Upgrade/Expand Intercom, Campus-Wide Emergency Communication
