Scott Ellis, Principal  
Blaine High School  
1055 "H" St.  
Blaine, WA 98230

**RECEIVED**

JUN 08 2018

**Blaine School District**

Dear Mr. Ellis:

In accordance with the established requirements and procedures of the Association of Educational Service Districts of the State of Washington, it is a pleasure to inform you that Blaine High School has been officially approved for accreditation for a six year period, contingent upon a satisfactory third-year progress report, expiring in spring 2024.

In reviewing your application for accreditation, the AESD Accreditation Panel Sub-Committee carefully considered the documentation provided by the AESD Accreditation Process Team and its recommendation for action. These accounts, in combination with the additional information you provided at the review meeting on April 20, 2018, offered detail about the work at Blaine High School. As a result, the AESD Accreditation Panel Sub-Committee made the following commendations and recommendations.

Blaine High School is to be **commended** for providing strong evidence of:

- Building a culture of relationships in a deliberate manner using the data and intervention daily advisory block of BUILD: Building Unity in Learning Determination.

The AESD Accreditation Sub-Committee made the following **recommendations**, to be reported at the 2021 third-year review:

- With the foundation you built this year, our recommendation is to continue to grow, involving all staff, parents, and community around rigorous academic standards.

Your students, staff, community members and school team are to be commended for earning this accreditation status. Your local educational service district will be in contact to schedule presentation of a plaque suitable for display to acknowledge your accredited status. We look forward to hearing of your continued successes.

Sincerely,

Bob Estes  
AESD Accreditation State Coordinator
