

**\* BLAINE SCHOOL DISTRICT #503 \***  
**SEVERE WEATHER TRANSPORTATION INFORMATION ~ PT. ROBERTS PRIMARY**

---

**SNOW CONDITIONS AND CLOSURES** - School schedules and school bus transportation may be changed on short notice as winter ice and snow conditions begin to impact our area.

When conditions are severe, all announcements regarding school closures, delays or changes in transportation will be made over the following radio stations: **KGMI** (AM 790), **KARI** (AM 550), **KPUG** (AM 1170), **KAFE** (FM 104.1). Please tune to these stations if you have reason to believe that there may be a school closure or changes in the transportation schedule. The radio stations will repeat the school closures frequently.

Also **KOMO 4, KING 5 and KIRO 7** TV STATIONS will carry the closures.

Information may also be found on the **Blaine School District website** at [www.blainesd.org](http://www.blainesd.org) or by calling the **Snow Information Line** at 360-332-0789.

If there are no announcements on the radio or TV, you may assume that school is open on time and buses are on normal routes. During inclement weather, buses may run behind schedule. You may call the Transportation Department at 360-332-0700, but bear in mind that phone lines will be very busy and your best first choice is to tune to a radio station for current updates.

The Blaine School District would like to thank you for your cooperation and flexibility during inclement weather conditions and take this opportunity to remind parents to:

- Dress students appropriately knowing that they may have to wait longer than usual for the bus.
- Bear in mind that bus schedules may run late due to changing driving conditions.
- Allow for short notice schedule changes and late buses.
- Remind their children to be especially cautious while walking to the school bus stop during hours of darkness and inclement weather.
- Remind their children to wait well off of the roadway for the bus during icy and dark conditions.

**POINT ROBERTS PRIMARY SCHOOL SNOW ROUTE INFORMATION**

When road conditions in the Point Roberts area are determined to be hazardous or unsafe due to inclement weather, the Blaine School District will put into effect a school bus **snow route** for the Blaine bus.

If an announcement is made regarding Blaine Schools, Point Roberts residents should assume the announcement applies to them unless information is given otherwise.

**SNOW ROUTES**

If snow routes are announced, buses **MAY NOT** run on unsanded, slippery roads. Students should not assume the bus is coming up their hill or down an unsafe road. If in question, call Transportation for more information.
