

Kindergarten Readiness Program Blaine School District

2016-2017

Our Vision:

The Blaine School District is committed to excellence for <u>ALL</u> students. Having a positive kindergarten experience is essential in laying a strong foundation for a successful holistic school experience. We believe that by working together with families and our surrounding community, we can provide a nurturing opportunity for all students to experience academic and social/emotional opportunities prior to beginning kindergarten.

Program Overview:

Bright K is a free, six week summer program designed to provide play based learning opportunities for at risk students entering kindergarten. The program focuses on developmentally appropriate academic and social skills to help ready students for their fall Kindergarten experience, enabling them to begin the year with success and confidence. Students must meet eligibility criteria based on academic and social/emotional needs.

Classes will run **July 10th -August 17th, 2017. Monday -Thursday from 8:30am-12:30pm** Snack and lunch will be provided. Transportation options are available.

If you think your child would benefit from this program, and are interested in more information, please fill out the bottom portion and return it to the Primary School Office by June 15th.
