Hello!

The countdown is on...and you only have a few days left to enroll for health insurance under our nation's Affordable Care Act. Don't be left out! 5 million people have already enrolled nationally.

**The deadline for enrolling in a plan is March 31.** You can go to **[www.GetCoveredWA.org](http://www.GetCoveredWA.org)** for answers to your questions about coverage and enrollment, and from there, connect to the state's HealthPlanFinder website to sign up for coverage. If you've already enrolled, forward this flier onto friends and family.

The Affordable Care Act means you can't be denied coverage because of pre-existing conditions, you can keep your children on your health plan until they're 26, and, depending on your income, **you may be able to get free or reduced-cost insurance.**

Warmly provided to you by,

Blaine Chapter of SEIU Local 925

**P.S.** Don't worry, if you know somebody who is eligible for care under Medicaid, they can still sign up after March 31, but why wait? Go to **[www.GetCoveredWA.org](http://www.GetCoveredWA.org)** for information about coverage and enrollment. And forward the link to friends and family!
